

CLINCH MOUNTAIN CHRISTIAN SCHOOL

Attendance Policy

At Clinch Mountain Christian School, we understand the importance of family time. It is our hope that CMCS gives you the gift of more time with your student. Because of this, our attendance policy is designed with flexibility in mind, safeguarding your autonomy to decide when and how your student's time is used, while simultaneously ensuring they are regularly and faithfully attending school.

Students have 10 unexcused absences that may be used for any reason. Students may take excused absences at parents' discretion. Excused and Unexcused absences are defined below.

- **Excused Absences-** Any absence that the teacher has been made aware of beforehand or that is accompanied by a doctor's excuse.
- **Unexcused Absences-** Unexcused absences are those that the teacher has not been made aware of beforehand.

*In the event of either an excused or unexcused absence, students are expected to make up any missed assignments.
