

Drop-Off/Pick-Up Map

Drop-off: 8-8:30am
Pick-up: 3:30-4:pm

Pick up for parents with children in Preschool/Kindergarten- please park by the side entrance or in the spots on the end of the building directly across from the concrete pad at the side entrance.

For all parents during drop off- please stop your car for pick up and drop off at the dotted line on the map. Please do not pull up beside of the entrance so that we can save space for parents, students, faculty, and staff to safely walk in and out of the building.
